GOFFSTOWN CENTRE, N. H.

THE following testimonials will tell something about a Medicine that is now becoming popular faster than any other article sold by druggists:

Rev. J. K. Chase, of Rumney, N. H., under date of April 4th, 1860 says:—" When your favor, (two bottles of White Fine Compound, was received, I was suffering from a most severe cold. I took the Compound, and was able to preach in two days.

** I believe the Compound by an invaluable medicine. I do wish thousands who know nothing of its virtues, would become better acquainted with it."

Rev. L. C. Stevens, Pastor of the Baptist Church at Goffstown Centre in a letter dated Fed. 1360, says:—

Some of my namily have tried it, (the Compound, with signal success. I believe it to be one of the best Cough Remedics ever prepared. Besides its value as a Cough medicine. I have good reason to believe it to be all it claims to be for Kidaey Diseases and Diabetes."

Mr. Asa Gooddue, of Bow, N. H., wasso prost, a.ed by Diabetes, in March, 1859, that neither himself nor any who saw him thought that he could possibly live through the month. As a last resort, he thought he would try the White Pine Compound. They precured a bottle for him; he began to take it and to the surprise of all, im mediately showed signs of amendment. Eleven month afterwards. (Feb. 23, 1860) in a full statement of his casesays: "I believe Dr. Poland's White Pine Compound under God, has been the means Or my recovery that rundreds of cases of Kidney complaints, cuerd as

undreds of cases of Kidney complaints, cured as trability to taking the White Pine Compound, have been reported by druggists. Here are two samples:
An aged man in Danvers, Mass., heard of the Compound, as a wonderful curative for kidney complaints Being a great sufferer from that difficulty, he sent to the Apothecary for two bottles. They cured him. He said they were worth fifty dollars. He has since sold a good many bottles himself.

The second case was that of a business man, in Salem. Mass. He was also cured of the tame complaint. Afterwards he went to Minnesota. The preat futique of his journey brought on a return of his former difficulty, and seeking in vain in Microsota for the Compound, he was compelled to send all the way to Salem to have it forwarded by express.

"July, 1869. Da. Polland:—Mr. J. C. Butterfield, Jr., who sells your Medicine, has requested me to give a brief statement of what your White Pine Compound, has doze for me. I had been sifficied with the Kidney Complaint for a long time, and had a bad Cough of ten year's standing, which caused me to spit blood quite frequently. No one of my acquaintances expected that I should ever get my health again. But two bettles of your White Pine Compound have cured the Oboth the Cough and the Kidney Complaint.

I would also state, that a fady, a neighber of ours, was so badly afflicted with a cough, that she sat un only long enough to have her bed made, and we all thought she was going in a quick consumption. "he took only one bottle of your Compound as directed her. She is just as well now as she e crws. STEPHEN BART.

ETT, "Dr. Poland:—I wish to bear my testimony to the value of your White Pine Compound. And before I had taken two thirds of the contents of that one bottle, my paid had left me. Though I had been afflicted with that complaint a long time, I have not had a return of it since, and heve for many moaths part enjoyed excellent bealth.
